At Crossways we are always striving to help our children have the best skills and tools to achieve the highest standards in their individual learning.

In literacy this involves each year group having specific words that by the end of their time in that class they should be reading and writing in the cursive style accurately.

We call them non-negotiable to highlight their importance.

The words have been chosen for their frequency of use and also how often they are generally misspelt.

The children will be aware of these and through focussed marking will practise correctly spelling these. Any help at home will always support your child and we hope having this on the website will continue the great partnership we have in our school community.

If you have any questions please talk to your child's class teacher.
