

English

Fiction: A range of pirate tales

Non-fiction: Information about pirate life and parrots

Objectives we will focus on

Using simple narrative features

Using simple language features of non-fiction

Using verb tenses accurately

Beginning to use question marks

Writing so that other people can understand the meaning of our sentences.

Art & Design Technology

Make a pirate pouch using a running stitch.

Create a collage of a pirate's galleon using different materials. Charcoal portraits

RE

What are Christians and what are their main beliefs?

Music

Following a conductor to create musical waves using percussion instruments.

Taking it in turns to be the conductor.

Interpreting sounds and exploring instruments.

Geography

Create a map to show buried treasure in the woods.

Learn about the travels of famous pirates.

Science

Investigations: Which material would be most suitable for clothing? Which material would keep pirates dry in stormy weather?

Name and sort different materials according to their properties.

Year 1
Term 3 2019
Topic

Ahoy, me hearties!

PSHE

How we feel when we have a bad day and how to cope with our emotions.

Thinking about what is fair or unfair in everyday life and how we can be fair to others.

How to look after money and how money can be important.

History

Discuss pirate objects using artefacts, pictures, stories, online sources and databases and order on a time line.

Learn about the lives of famous pirates.

Notes

Please leave PE bags in school for the whole term and send Book Bags into school every day. Please see Miss Frontczak or Mrs Rowen if you have any questions.

Mathematics

Continuing skills

- Count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number
- Count to 100; given a number, identify one more and one less
- Represent and use number bonds and related subtraction facts within 20
- Read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs.

New skills to be taught

- Addition and subtraction with 20. Looking at a range of different methods to solve addition and subtraction problems (Weeks 1-4)
- Understanding place value to 50 and learning the multiples of 2, 5 and 10 (Weeks 5-6)

PE

Dance – Pirate movement: On the rolling sea and On Pirate Island Games- using the terms opponent and team mate. Practise catching and kicking skills, develop simple tactics

Computing

Internet Safety week
Recording sound effects

French

Comment t'appelles tu?
Quel age as tu?
