

Gymrun with Future Stars

Building Physical Health.

Data & Benchmarking Report

July 2019

Physical Health Data.

From Sep 2019, the Ofsted education inspection framework will ask schools how they develop pupils' understanding of how to keep physically healthy.

With the Gymrun Assessment Scheme, every child achieves a physical health score from 1-8. This number matches one of eight coloured fitness badges.

‘The data is a fantastic tool to inform, progress and develop a fitness culture across the school.’

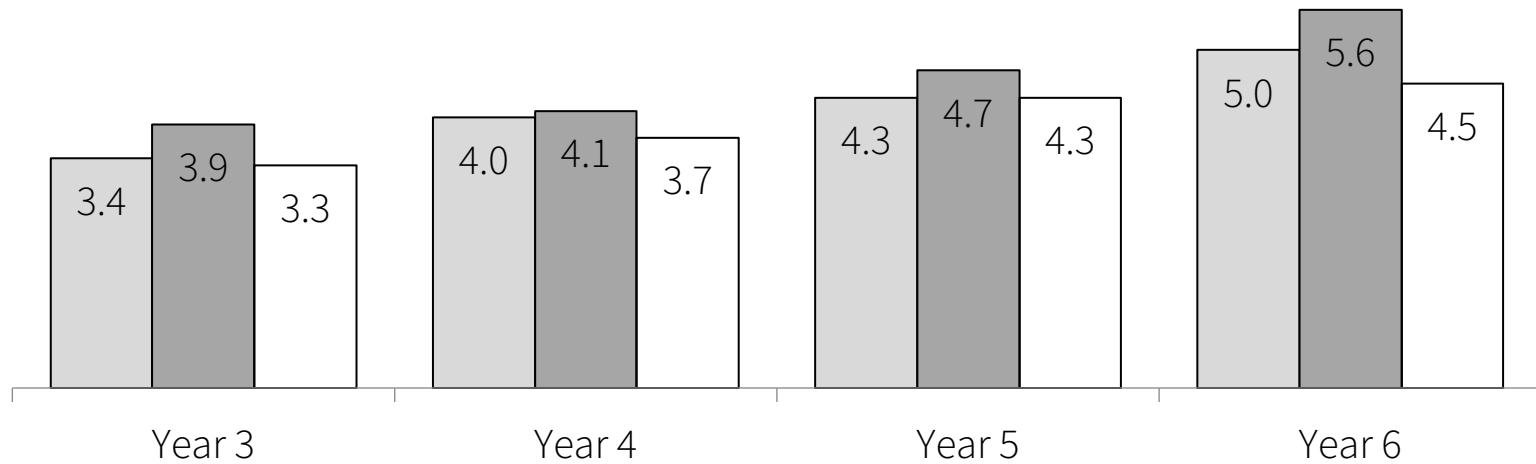

Charlie Blair. Director of Sport. Newton Prep School.

Physical Health Data 2018-19

Your School compared with All Schools.

	Your School First Assessment
	Your School Second Assessment
	All Schools (12,504 children)

‘This is a great scheme – it should be in every school in the UK.’

Kate Bosomworth. This Girl Can Lead. Sport England Board.
