

Pupil Premium Grant (PPG) Reporting to Parents 2019-2020

At Crossways Junior School we strive to ensure that every child meets their full potential. The Government is giving money to schools to help children from lower income families do their very best. This funding is called a ‘Pupil Premium’ and is designed to ensure that every child has a greater opportunity to reach their potential. Here at Crossways, we are determined to give every child the start they need to make a success of their lives. We have planned to use the Pupil Premium Grant for children based upon their individual need; following a process of consultation between the class teacher, SENDCo, Head Teacher and any other members of the team around the child. We feel that it is this personal touch that makes Crossways such an effective institution at overcoming learning barriers.

For every child registered for Free School Meals, Crossways Junior School received £1,320 in 2019/20. With this money the school plans to enrich education for targeted pupils by providing a range of additional opportunities, for example:

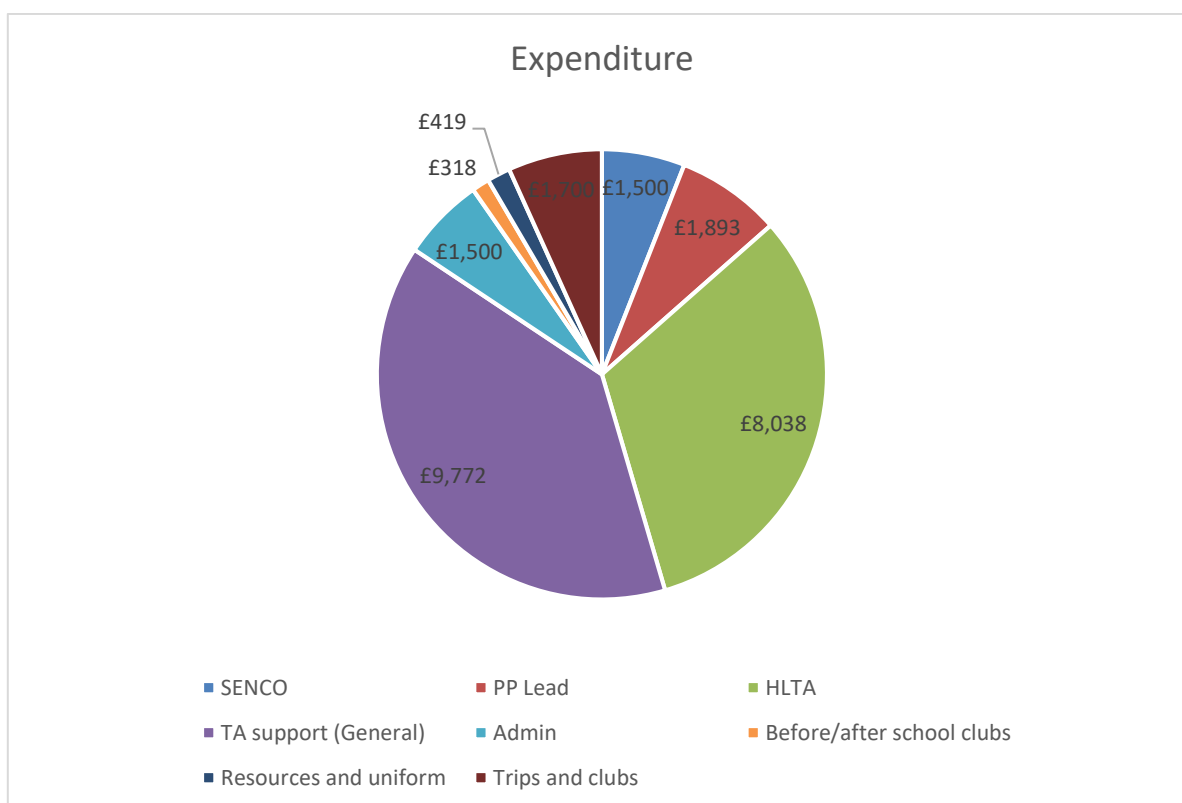

- Supporting the cost of educational visits
- Supporting the cost of enrichment opportunities (clubs/music lessons)
- Supporting the cost of out of hours care (Breakfast and After School Club)
- Specific educational resources
- One: One tuition
- Small group interventions
- Uniform needs
- Dedicated SENDCo and Pupil Premium management time
- Release time for teachers to meet 1:1 with pupils to discuss their learning/progress/pastoral issues

Area of Spend	Cost	Objective	Outcome
SENDCo	£1500	Dedicated time to liaise with relevant staff and develop appropriate intervention for children on the PP/SEND register, as appropriate	Regular liaison between the SENDCo and staff can be observed along with meetings between SENDCo and PP lead. This ensures continuity between the 2 areas and a consistency in the provision in the 1:1 support
PP Lead	£1893	To manage the PPG to ensure Crossways Junior School provides the holistic education that removes barriers to learning and allows pupils to progress in all areas of learning.	Management of PPG has been reviewed and data so far this year has shown the school has continued to work on the gap between PP and non PP children. Unfortunately no end of year data due to COVID-19
HLTA	£8038	HLTA works alongside targeted children 1:1 focused on developing the children's learning based upon the green and pink teacher marking within books alongside pastoral development.	HLTA has continued to provide structured 1:1 support for children who are lower ability within a subject as well as those that are higher ability. These sessions are planned in line with assessment data and class teacher observations of gaps or areas to improve within.
TA support (General)	£9772	To deploy additional support using targeted and guided	Tracking through data points during the year.

		learning for reading, writing and maths as determined by the class teacher.	Unfortunately no end of year data due to COVID-19
Admin	£1500	To oversee the budget and administrative tasks (e.g. letters, liaising with parents etc.) associated with Pupil Premium	DHT is aware of spending situation and is able to access appropriate administrative details as appropriate.
Before/after school clubs	£318	To provide pupils with before/after school care	Families have been supported with wrap around care as appropriate which has aided keeping attendance figures high
Resources and uniform	£419	Purchasing of resources and uniform needed by PP children	Some resources and uniform have been purchased for children as necessary.
Trips and clubs	£1700	Supporting part payments (or full payments) of academic trips, residential or after school clubs for those who receive PP	Children have been able to access all clubs and trips as appropriate

Total PPG received	£25940 (+carry forward)
Total PPG expenditure	£25139
PPG carried over	£6385 (planned for specific project- NOT COMPLETED 19/20 DUE TO COVID-19)
