Dear Families,

Welcome back to school for the start of Term 5. I do hope that you were able to enjoy the holidays and all the lovely sunshine we have had recently, and that the children have returned to school relaxed and refreshed ready for the term ahead.

Term 5 is always quite a busy one. We usually have the Year Two and Year Six statutory assessments during this term, however they will not be taking place this year due to the period of school closures. Later this term, we will be offering you an opportunity to meet again with your child's class teachers. We will be running virtual parents' evenings in May. Further details to follow.

As the weather continues to improve, we are able to have the children outside more and make use of the fantastic outside space on our school fields. As we know, fresh air and ventilation is an important part of our risk assessment and our preventative measures, so we do try to take the children outside if we are able to.

At the end of last term, we supported the Comic Relief fundraising. Thank you so much for your generous contributions. We were able to donate £399.02 to Comic Relief.

As we welcomed the children back to school on Monday 8th March, this has meant a return to whole school (via Teams) assemblies. I do so look forward to when we are able to have our assemblies in the hall, but for now we are very fortunate to be able to still meet together as a key stage/s, albeit remotely. The children in T4 who were awarded certificates during our celebration assemblies were:
