

Year 4 Spellings for Term 3 2021-2022

Wednesday's session will focus on spelling patterns and Friday's session will focus on the first two columns of the Year 3/4 statutory word list, both outlined in the National curriculum. Each session will end in a mini test in the back of the children's spelling book. We will be working through the 108 words throughout the year. The children are given time to practise in school but practise time at home will support and develop their understanding of each word and its spelling.
