## We made it!

Finally, we come to the end of the school year! What a difficult year it has been all round! The PTA would like to thank all the Crossways School community for supporting our events this year amid such uncertain times. As a result of YOUR support, we have still managed to complete some covid-safe fundraising activities and secured vital cash injections for projects across the Federation.

Here is a round up of the year:

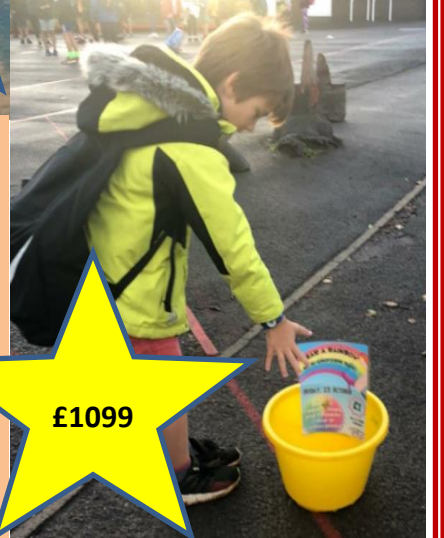

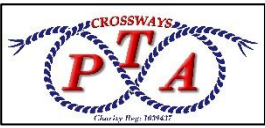

Our Halloween and Easter Balloon races were very popular with some super prizes up for grabs!

Dressing up days have provided some fun for the children and a chance to express themselves!

**'Break the rules' day** proved to be very popular...wonder why!
